## Berks

### The Mission of Phoebe Ministries

"A community of faith, called by God, to serve the needs and to enhance the lives of our elders, their families and the broader community."

### The Vision of Phoebe Ministries

"A faith based ministry recognized as a leader of innovative services, education, and community resources that promote fullness of life."

Phoebe Ministries is affiliated with the United Church of Christ. Serving individuals of all faiths.

## INDEPENDENT LIVING

Our independent living community, Phoebe Berks Village, offers spacious apartments and various full-sized cottages perfect for today's active, independent adults looking for worry-free living. Village residents have opportunities to participate in planned social activities and can take advantage of the services and amenities on our campus. **Call: 610-927-8171**

## SHORT TERM REHABILITATION

Phoebe Berks' short term rehabilitation program is set apart from others by the compassionate and attentive care provided by our staff. Phoebe Berks offers a dedicated short term rehab gym and physical, occupational, and speech/dysphagia therapy. Phoebe's goal-focused, short term rehab neighborhoods and interdisciplinary care teams can provide essential care for residents recovering from a variety of conditions. **Call: 610-927-8505**

## ADULT DAY SERVICES

Our Adult Day Program at Tranquility Place provides a safe and secure setting for individuals with Alzheimer's or dementia. Our program allows family members and caregivers time to pursue work, hobbies, and personal activities or simply enjoy well-earned respite time. We provide socialization and stimulation to increase quality of life for people who might otherwise be isolated, lonely, or depressed. **Call: 610-927-8559**

## SPECIALIZED DEMENTIA SERVICES

Phoebe Berks has two specialized Memory Support neighborhoods, both of which care for residents in the mid-to-late stages of Alzheimer's disease and related dementias. Village Gardens in our Personal Care Community offers 25 beds in a secured dementia setting. The Chateau in our Health Care Center offers 18 beds. Extensive Montessori programming is provided daily to engage residents' strengths and interests in an environment that is designed for their success. Staff are individually selected and specially trained to work in these neighborhoods with the residents to maximize each individual's abilities in all aspects of care. **Call: 610-927-8559**

## PERSONAL CARE

The Village Commons Personal Care Community offers various levels of assistance with activities of daily living, such as bathing, dressing, and taking medications. We offer meals prepared from homestyle recipes in our country kitchen dining area. Private studio accommodations—each with a private bathroom—are available, as are larger suites for couples. Our residents enjoy access to medical and rehabilitative services as well as a variety of recreational and social activities.

**Call: 610-927-8559**

## PARKINSON'S TELEHEALTH PROGRAM

Through Phoebe Berks' award-winning TeleHealth Program, Phoebe residents have access to the Associate Chief of Lehigh Neurology for virtual, confidential appointments. The use of a patient exam camera, two-way audio, and high definition video equipment enables the neurologist to virtually participate in a physical exam, order prescriptions, and arrange for tests if needed. **Call: 610-927-8512**

## SKILLED NURSING

The Phoebe Berks Health Care Center offers 94 skilled nursing beds. Services include long-term care, respite care (depending on bed availability), hospice care, and short term stays for IV therapy, medications, and wound care. **Call: 610-927-8505**

## OUTPATIENT REHABILITATION SERVICES

Phoebe's outpatient rehabilitation program is a community-based service for people living in their homes but in need of rehabilitation services. Our therapists work one-on-one with each patient to set goals of achieving the best possible outcomes. **Call 610-927-8560**
