

REPORT OF VOLUNTEERS

2017-2018

Our volunteers are a driving force in our organization. We celebrate them for their service, and thank them humbly for all that they do.

Phoebe relies on the selfless dedication of so many people to further our mission of serving the needs and enriching the lives of our seniors, their families, and the communities we serve. Our volunteers are some of our most valuable team members. They are our friends and relatives and neighbors, working tirelessly and often anonymously in our communities to make life better for residents every day. They are our residents themselves, who, not content to sit idle in retirement, dedicate their time to helping others. They are boots on the ground—members of other organizations, including churches, local businesses, and other nonprofits, who join important advisory and fundraising committees. In all respects, our volunteers are ambassadors of our mission in the broader community. They truly make an impact every day, not only in the lives of our residents today, but in the health and prosperity of our organization as a whole for years to come.
