

Instructions on How to Start Your Zoom Video Call from an Apple Device

- 1) Visit the App Store on your device:

- 2) Search for the Zoom Cloud Meetings app and download it:

- 3) Once the app is downloaded to your device, you'll see a screen to sign up or sign in.
You do not have to do anything at this time.
- 4) Phoebe staff will send you a link for the vide call just before your scheduled call time;
Click the link and type in a user name when you prompted to do so in the app (you may type in any name you'd like) to join the call.
