Personal Care Administrator Update

Please welcome the new Personal Care Administrator – Jamie Kerchoff!

Jamie started in senior living working in the activities department, became an LPN, and then successfully reached her goal of becoming a Personal Care Administrator. She has been an administrator for nearly 10 years.

She currently lives in Lancaster city with her boyfriend and loves to bake and cook. She likes to take “normal” recipes and make them plant based and good tasting. She loves to travel and recently completed all 50 US states. Jamie also enjoys hot yoga, riding her bike and hiking.

She loves bringing people together and trying to figure out ways to embrace and honor our differences while all working towards a common goal.

We, at Berks, are excited to have her join the team!
