Community Life Updates

Hello Residents, Families, and Friends,

The outbreak continues. Some individuals are now out of quarantine, but we are still encouraging residents that wish to attend activities to wear a mask which can be provided for them upon request. If you are not COVID +, you do not need to stay in your rooms. Please take some time to step outside and get some fresh air. Also, look out for another comment/suggestion box in the future in the Commons. Location is still to be determined. We want to hear your ideas, suggestions, and yes even your complaints. Remember, my door is always open for those activity ideas too. You can find me on the ground floor of the Commons in the activity room most days from 8-430. Stop on by-even if you just want to say "Hello".

Looking forward to Activity-filled days!

God Bless,

Heather Donahue
