April's Birthstones & Flowers

Although diamonds are the official birthstone for April, there are two other lesser-known gemstones that you can choose from. White Topaz and Clear Quartz, the perfect lookalike of diamonds, are also regarded as April Birthstones. They are way more economical than diamonds and as versatile as the latter.

The April birth month flowers are the daisy and the sweet pea. The daisy stands for innocence, purity, and true love, while the sweet pea is a way to say goodbye, send good wishes, or merely convey a thank you.

If your family would like to volunteer, please contact Do Vanderdrift at 610-794-5226, visit her office on Lehigh Sq/1East, or contact via email... dvanderdrift@phoebe.org
